Assistant and Graduate Coaching Section

Friends of Clarion Wrestling, I'm happy to tell you that I'm excited about our 2009-10 Golden Eagle Wrestling Team! Since I've been here, I think that the program has improved every season. This year is no exception. Our freshman class has shown tremendous desire and leadership, stopping by the wrestling office looking for workouts and partners before we even started preseason practices. This group has excellent credentials at the high school

level - ranked among the top 25 recruiting classes this year - and they're highly motivated to improve on that in college. Adding them to the solid core group we have returning, the team becomes stronger and deeper throughout the lineup. In addition to achieving the program's 500th dual meet victory this season, I'm looking forward to seeing this group achieve some other milestones we have not seen accomplished in several years. It's a great

time to be a Golden Eagle!

In personal news, my family of four will become a family of five shortly after the season (Lord willing)! We're praying for a smooth pregnancy for my wife Lydia, that the little one will grow healthy and strong, and that Ty and Eli will adjust well to having a little sibling around. We appreciate your thoughts and prayers!

Coach Moore's Corner

It's an exciting time at Clarion University Wrestling. We have had a great summer and are looking forward to the boys taking the mats. This season will kick off with three events that will allow the team to compete for starting spots. Nov 7 is the Knight Point/Clarion Open. Nov 13 Blue/Gold and Nov 20 at the Body Bar Invitation at Cornell. These events will allow us to see who will represent Clarion at the PSAC's in early Dec at Edinboro. Our support staff continues to grow! Jon Oplinger joins us as our Graduate Assitant from Drexel Unviersity via

Northampton HS. Jim Gibson has become the Volunteer Assistant replacing Hall of Fame Volunteer Assistant, Coach Bubb. Business interns Meagan Grau, Valerie Dern and Comm. intern Lyndsey Engstrom have all come on board for 2009-10. You will be hearing, reading and seeing their work throughout our season. They are a welcomed addition to Clarion Wrestling!

Personally, the Moore family now numbers 6! Maximus Tobias and Madigan Jane came to us on July 11, 2009. They spent 3 weeks in Pittsburgh at a NIC Unit and 1

week at the Dubois NIC Unit. Weighing in at 3lbs 2oz "Max" now tips the scales at 8lbs. Madigan came out at 4lbs and now weighs 7lbs 10oz. Mom Moore is doing well and looking forward to a full nights sleep in the near future.

Recruitment

Our 2009-10 recruiting class looks like they are going to commit themselves 100% returning Clarion to its former glory. Joe Waltko, Tyler Bedelyon, Bryan Smith, James Fleming, Nick Milano and Alex Thomas have all been training to break into the Clarion lineup this season. Their dedication and work ethic make this coach proud! Other new faces like Ronnie "Trey" Hicks and Phil

Catrucco are also adding to the lineup. Both of these young men didn't meet the NCAA academic standards last season so they spent this past year at Clarion taking care of academic commitments and traveling to open tournaments on their own, in the hopes of making this year's squad. They both will bring some experience and add excitement to the lineup.
